SECRETARY'S OFFICE

NEW YORK, February 26th, 19 13.

Mr. Adolph G. Sutro,

1207 Stanyan Street,

San Francisco, Calif.

Dear Sir:-

We have the honor to advise you that at a meeting of the Executive Committee held on February 19th you were granted a hydroaeroplane certificate No. 1. This is the first of its kind issued under the new rules governing the issuance of hydroaeroplane certificates and we congratulate you on your achievement.

Owing to the fact that this certificate is entirely distinct from the aviation certificate it was necessary for us to have new ones made up and immediately these are received from the printers yours will be promptly forwarded you.

We are however enclosing herewith copies of resolutions passed by the Board on various occasions relative to flying over cities and sporting events to which we would respectfully call your attention. A copy of the 1913 expert aviator certificate rules is also enclosed herewith.

Yours very truly,

Montina Delano

Secretary.
